🔑 LeetCode 🏆 HackerRank

EDUCATION

KIET Group of Institutions B.Tech (Electronics and Communication Engineering) Affiliation: Dr. A.P.J. Abdul Kalam Technical University Aggregate: 83.5%	2019 – 2023 Ghaziabad
Mahatma Hansraj Modern School Senior Secondary (XII), Science Affiliation: Central Board of Secondary Education Aggregate: 88.4%	2019 Jhansi

PROJECTS

Carzone: A Car Selling Website  • A responsive website providing all the functionalities of a car dealer website from which a user can buy a car, mainly a second hand car • Technology Used: HTML, CSS, Javascript, Django framework • Role: BackEnd	06/2021 – 07/2021
CricBlogs: A Cricket Blog Website  • A blog website which allow users to add, edit and remove blogs • Used Django REST Framework to create RESTful API endpoints and fetched data using ReactJS • Implemented user authentication functionality using JWT (Json Web Token) • Technology Used: HTML, CSS, ReactJS, Django REST framework	03/2023 – 03/2023
YTube: A YouTube Clone  • A responsive clone that aims to replicate the essential features and functionalities of the popular video-sharing platform, Youtube • Technology Used: HTML, CSS, ReactJS	02/2023 – 03/2023
Automation Using Zigbee • A wireless network with star topology using zigbee which works on the principle of low data rate and long range communication • Role: Arduino Programming and Zigbee configuration	02/2022 – 04/2022

SKILLS

Programming : (C/C++, Python) • **Web Development** (HTML, CSS, Javascript, Django, ReactJS) • **IoT** (Arduino)
Tools (VS Code, PyCharm)
IT Construct (Data Structures and Algorithms, Object-Oriented Programming, Database Management System)

COURSES

BackEnd web development with Django Source: LearnCodeOnline	11/2020 – 12/2020
Using Python to Access Web Data Source: Coursera	06/2020 – 07/2020
Python Data Structures Source: Coursera	05/2020 – 06/2020

TRAININGS

IOT And Embedded Systems, Indian Institute of Technology (BHU) Varanasi	09/2020 – 10/2020
--	-------------------

ACHIEVEMENTS

- Solved 550+ Questions on LeetCode
- 5 stars in C programming on HackerRank
- 5 stars in Python programming on HackerRank
- Champion Level on CodeStudio

EXTRACURRICULAR ACTIVITIES

Tech On Minds, Article Writing Competition (Organised by IEEE Student Branch KIET)	09/2020
